I, Scott A. Bryant, a duly Licensed Land Surveyor or a Professional Engineer authorized to perform Land Surveying in the State of California, License No. 7228, will be performing work within the City of Modesto Right-of-Way and hereby acknowledge my responsibility for monument preservation as required per Sections 8771(a-f) of the Business and Professions Code.

The City of Modesto Utilities Department has performed preliminary monument research for Encroachment Permit No. \_\_\_\_\_ - \_\_\_\_\_ and has FOUND monuments that could potentially be disturbed or destroyed within the project limits. Please note that the Landowner/Contractor performing the work remains responsible for hiring a Licensed Land Surveyor or Professional Engineer authorized to perform Land Surveying in the State of California to conduct monument preservation and file the appropriate document(s) with the City Surveyor's Office and the County Surveyor prior to the start of construction. If a monument is disturbed or destroyed, notify Danny Haakma with the City of Modesto Survey Department immediately at **(209)-571-5143**.

I further acknowledge that I am hereby responsible for the Monument Preservation within the limits of construction activity as requested by the City of Modesto.
